April 25, 2024

Greetings,

We are excited to host SAHS's first Job Shadow Day for the sophomore class on Tuesday, May 21st. The purpose of this day is to provide students with authentic job experiences in careers they have an identified interest in. Students completed a survey to identify their top three career choices and will participate in a job shadow in one of those careers based on availability. These shadows will take place in the Skowhegan area, and as needed, Augusta and Waterville. School transportation will be provided and students will return to school by the end of the school day. Bagged lunches will be provided and students will be signing up for them in advance through advisory time. Students are also welcome to bring a packed cold lunch with them if they prefer.

Students have been learning about professionalism and work etiquette during Advisory time in preparation for this Job Shadow Day. While we are finalizing logistics and will provide more details as the day nears, we wanted to inform you in case your student mentions these lessons or the upcoming job shadow. Also, please know that Job Shadow Permission slips, and (if applicable) additional liability waivers, will be sent home with students in the coming weeks and the timely return of them is imperative to the success of the day.

Should you have any questions, please contact Chris Wills at [cwills@msad54.org](mailto:cwills@msad54.org).

Respectfully,

SAHS Administrative Team
