Dear Parents/Guardians

In preparation for the upcoming accreditation process, Skowhegan Area High School will be completing surveys designed to provide our school with important feedback on our work. All students, families, and faculty members will have the opportunity to complete a survey. Every student will have an opportunity to complete the student survey during the school day (12/7). We hope to learn more about what is working well for our students and identify areas for growth and improvement.

The parents/guardians survey link is below and will remain open from 12/6 - 12/10. We ask that every family complete one survey. You do not need to complete multiple surveys if you have more than one student in the high school. The survey is mobile-ready and can be completed on a computer, tablet, or phone. The survey will take about 10 minutes. Family Survey link:

On behalf of the high school administrative team we would like to thank you in advance for providing us with valuable feedback that we will use as we move forward through the accreditation process.

Kind regards,

Skowhegan Area High School

Administrative Team
