JUNIORS: *Dirigo State is one of the most respected and selective educational programs of the government instruction for US high school students. It is a participatory summer program in which students become part of the operation of local, county, and state government. If you are interested in attending this one-week program during the summer of 2025, please stop by the SAHS guidance office for more information.*

The Maine Space Grant Consortium (MSGC) is pleased to announce a special opportunity for Maine high school juniors who are interested in a science, technology, engineering, or mathematics (STEM) paid internship through the MERITS program. This program provides a six-week paid summer internship research opportunity for highly motivated high school juniors. Students experience 'real-time' applications of STEM at various Maine host institutions conducting hands-on research and technology development. If you are interested in this opportunity, please see Miss Drummond in G10 for more information.

SOPHOMORES: CLASS OF 2027: *Current sophomores who would like to take the PSAT/NMSQT at SAHS next October need to sign up in guidance. You must sign up by Thursday, May 15.*
