Dear seniors and senior families,

We're happy to announce that Skowhegan Area High School is part of the 2023-2030 GEAR UP Maine RISE program. Being a GEAR UP Maine RISE school means that our school gains access to a wealth of resources, support, and opportunities aimed at empowering Skowhegan Area High School students to reach their full potential.

From college readiness workshops and career exploration sessions to personalized academic support and mentoring and [a \\$750 scholarship for \*\*EVERY\*\* student going to a 2 or 4 year college](#), GEAR UP Maine RISE is here to help Skowhegan Area High School students and families navigate the path to college, career, and beyond! 🎓

Seniors who are interested in obtaining the scholarship must complete the Life After High School Survey. The survey allows student contact information to be given to the Finance Authority of Maine who is dispersing the scholarships. Students, you will NOT need to add your MEDMS ID number to complete your survey. To take the survey, please use the following QR code.

Stay up to date with all the ways the GEAR UP Maine RISE program is supporting Skowhegan Area High School students by following their Facebook page:
