**NO open campus** as these will be a normal four block days.

If we have a weather cancelation we will have midterms scheduled for the day we missed when we return. This will throw the Day 1/ Day 2 schedule off.

Example: If we have a snow day on Wednesday the 22nd (Day 1) and we return to school on Thursday the 23rd (Day 2) - Thursday will be a Day 1 **not** a day 2. This way our students will be prepared for the midterms they studied for.
