NO open campus as these will be normal four block days. If we have a weather cancellation, we will have midterms scheduled for the day we missed when we return.

Example: If we have a snow day on Wednesday the 19th (Day 2) and we return to school on Thursday the 20th (Day 1) - Thursday will be a Day 2 **not** a Day 1. This way our students will be prepared for the midterms they studied for.
