DIRECTORY OF GUIDANCE

JON CHRISTOPHER
ATHLETIC DIRECTOR

Dear students and families,

We are saddened to share with our school community that a Skowhegan Area High School student passed away on Friday. We wanted to take a moment to share that, though we are not in session, SAHS counselors are available to our students should they need someone to talk to. Students and guardians are encouraged to call the high school at 474-2403 to schedule an appointment with one of our counselors. Also, on the Skowhegan Area High School's website are a variety of resources to help students and members of our school community should they need someone to talk to. Please know the sympathies of our school are shared with the student's loved ones, family and school community.

In the face of this news we know that our school and community will come together to support one another. As we transition to the beginning of a new school year, we will be ready to support those in need of help. Please reach out to us if you have any questions or concerns.

Finally, we would ask that you reach out to us at school should you have information about any of our students who need support at 474-2403 or 474-5511. A great resource if you need assistance or want someone to talk to outside of school hours is the Maine Crisis Hotline at 1-888-568-1112.

Sincerely,

SAHS Administrative Team
