DIRECTOR OF GUIDANCE

JON CHRISTOPHER
ATHLETIC DIRECTOR

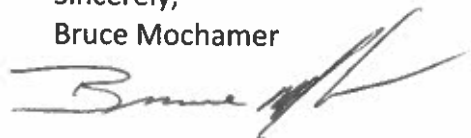

Dear Parent/Guardian,

The purpose of this letter is to provide you with information on upcoming state testing for all our year three students (Juniors). Students will be taking the Maine Educational Assessments for Mathematics, English Language Arts (ELA)/Literacy, and Science. Math and ELA/Literacy are Northwest Educational Assessment tests (NWEA). The science test is specific to Maine. All students are required to take these assessments on the day they are given. See schedule below. We have scheduled make-up sessions for each of the assessments in case your child is absent on that given day. Make-up will need to be completed by May 27.

- NWEA Reading and Language Usage Grade 11 on **May 3, 2022**
- NWEA Math Grade 11 on **May 11, 2022**
- Maine Science Grade 11 on **May 16, 2022**

These assessments will be given at school using the computer your student was issued in the fall. Please remind them to have their laptops fully charged on each of the testing dates. The NWEA should be a test that your child is familiar with as they take the test each fall and spring at middle school and during their freshmen and sophomore years. Please encourage them to do their best on each of these assessments. Let us know if you have any questions or concerns and thank you for your continued support.

Sincerely,
Bruce Mochamer

Principal,
Skowhegan Area High School
