

## 2022 Underclassmen Final Exam Schedule--(June 7 through June 13, 2022)

### Please be advised of the following:

- From 8:10 to 11:15, students are expected to be in attendance for all academic blocks as outlined below unless they are scheduled to have a study hall, daily math class, or have 95% end of year average provided they can arrange their own transportation. For students in need of a study hall due to transportation reasons, study halls will be provided. Upon arrival, students are expected to remain at SAHS until their exam/academic blocks are completed unless they are exempt as noted above.
- All courses will give a final exam, a unit or chapter test, or have a planned activity. To honor students with a yearlong average of a 95% in a course, students will be exempted from any final exam, unit or chapter test, or activity. Lunch will be provided during Final Exam Week. Daily remediation or make up times will be offered from 12:25-2:12.
- If a student leaves at 11:15, they will not be permitted to return to SAHS or ride district sponsored transportation from SAHS or another MSAD 54 school. For those students that remain on campus, they must be working directly with a teacher or be located in the cafeteria study hall.
- Exam/academic block dates and times must be followed as scheduled below. Any changes to the schedule needs administrator approval. Students are not to be released from their exam/academic blocks early. Students must stay in the classroom for the full 80-minute period. If students finish early, they may read quietly or study for another exam.
- SAMS and MSLC are off limits to high school students. Students staying at SAHS to catch a bus home must either be working with a teacher or be in the supervised cafeteria. With permission, students may also access the Media Center if needed.

<b><u>Tuesday</u></b>	<b><u>Day 1</u></b>	<b><u>June 7, 2022</u></b>
