Dear Parents,

On May 26, 2023 the class of 2026 will be providing community service to the communities and citizens of MSAD 54. Students will arrive at school as normal for attendance in their Block 1 classes. The buses will be leaving SAHS around 8:45 am, and returning to the high school in time for lunch and to attend their regularly scheduled last period class.

The intent of the day is to capitalize on the mutual support between students and their surrounding communities to teach our students about the importance of community involvement and volunteerism. The communities that make up MSAD 54 have agreed to help coordinate and organize projects that include helping citizens in need, public playground clean up, painting, stacking wood, and other similar tasks that our communities have requested.

We hope to make this a tradition at Skowhegan Area High School, and understand that being the first year, there might be some details to be improved upon for years to come. If you are willing to donate/allow use of trash barrels, gloves, rakes, shovels, and tools of that nature, we welcome you to reach out to Chris Wills at SAHS with that information. We hope that students, parents, and community members find this day to be a positive experience and one worth doing for years to come. **Please return this form no later than 05/18/23 to your advisory teacher.**

Thank you for your consideration,

Chris Wills
