**Method of Computing GPA:** Courses are graded on a numeric scale from 1 to 100. Courses are weighted according to the credit value. Weighted grading is applied to all Honors and Advanced Placement courses. The weighting factor is a 5% addition to the earned grade. Weighted grading is used only for determining GPA for class standing. Quarterly report cards indicate the actual grades earned.

**Core Curriculum:** Honors, College Preparatory, College Options, Consultant Model, and Adaptive levels of courses are offered. Advanced Placement courses are offered in English IV, Calculus, US Government, and US History. Additionally, there are opportunities for students to participate in dual enrollment programs through local colleges and the University of Maine system.
